Re: Docket No. 16-126

Dear Ms. Dortch:

On June 13, 2017, I spoke by telephone with Michelle Carey, Chief of the FCC's Media Bureau, regarding NCTA and ACA's Petition for Declaratory Ruling ("Petition") in the above-captioned proceeding. Consistent with NCTA's written comments, we discussed the Petition's proposal to permit cable operators to electronically convey the required notices both through confirmed email addresses and "through other appropriate electronic means reasonably calculated to reach the individual subscriber..." (Petition at 4).

Respectfully submitted,

/s/ Diane B. Burstein
